SEAL BOND™ 220 PEDESTAL ADHESIVE

Description

Seal Bond™ 220 Pedestal Adhesive is specifically designed for the installation of metal pedestals to concrete floors. Coverage will vary with pedestal size.

Application

Surfaces to which pedestals are to be bonded must be clean, dry, free of dust, dirt, paint, oils, wax and any other foreign matter. Apply adhesive to pedestal by the method normally used by a professional installer of access flooring. Full coverage of the pedestal is recommended with adhesive exuding from the pedestal base perimeter. Keep container sealed when not in use. Clean up with warm water while adhesive is still wet.

Benefits

- High Performance Adhesive
- VOC Compliant
- Freeze Thaw Stable
- Bonds Metal to Concrete
- Easy Application and Clean Up
- Solvent -free

Properties

V.O.C.: 6 g/L
Base: Synthetic Polymer Blend
Shelf Life: One year in unopened container @ 72°F.

Limitations

For interior use only. This adhesive is not recommended for use over concrete slabs where hydrostatic pressure, excessive moisture or high alkalinity (pH greater than 9) exists. Keep container sealed when not in use. Do not use when the temperature is below 50°F (10°C) or above 90°F (32°C). Sealed or coated concrete may affect adhesive performance. *Field tests representing actual installation conditions and intended pedestal design are strongly recommended to confirm specific performance results.*

Limitations on Our Warranty

We warrant that our products are manufactured to strict quality assurance specifications and that the information supplied about our products is not a representation or a warranty. It is supplied on the condition that you shall make your own tests to determine the suitability of our product for your particular purpose. Listed physical properties are typical and should not be construed as specifications. No warranty is made, expressed or implied, regarding such other information, the data on which it is based, or the results you will obtain from its use. No warranty is made, expressed or implied that our product shall be fit for any particular purpose. No warranty is made that the use of such information or our product will not infringe upon any patent. We shall have no liability for incidental or consequential damages, direct or indirect. Our liability is limited to the net selling price of our product or the replacement of our product, at our option. Acceptance of delivery of our product means that you have accepted the terms of this warranty whether or not purchase orders or other documents state terms that vary from this warranty. No representative is authorized to make any representation or warranty or assume any other liability on our behalf with any sale of our products. Before using, read the material safety data sheet and follow all precautions.
